EVALUATION

Q 1 Please summarize the main theme of the review.

Domestic violence

Prevention the violence outcomes through new technological interventions

Q 2 Please highlight the limitations and strengths.

There is no specific limitation.

Strengths: Detailed search for resources related to new domestic violence prevention interventions and good summarization of collected data.

Q 3 Please provide your detailed review report to the authors, structured in major and minor comments.

Thank you for this valuable paper.

The topic of the paper was very interesting to me and I think its findings are very thought-provoking and can highlight the role of technology in preventing the consequences of domestic violence.

A well-written paper with good practical suggestions.

No specific comment only I suggest to add this keywords to the keywords list:

"Intimate partner violence"

PLEASE COMMENT

Q 4 Does the reference list cover the relevant literature adequately and in an unbiased manner?

Yes
